

LOOKING AT THE ANCIENT HYBLEAN LANDSCAPES

Methods and applications for
geology and archaeology.

22 Ottobre 2019 | Sala del Consiglio
RAGUSA | Camera di Commercio
10:00 - 13:00 | Piazza Libertà

PARTNER

FOR FONDAZIONE
OTTIMISTI &
RAZIONALI

10:00 | WELCOME GREETINGS

Dott. Avv. G. CASSI' (Sindaco di Ragusa)

Dott. Arch. G. BATTAGLIA (Soprintendenza BB.CC.AA. di Ragusa)

Dott. A. BACHTIAR (Exploration Manager | Maurel & Prom)

Ing. G. PALMERI (Operations Manager | Maurel & Prom Italia)

MODERATORS:

Proff. A. DI STEFANO, R. MANISCALCO, E. TORTORICI
(Catania University)

10:10-10:25 | Prof. S. CATALANO (Catania University)

Evidence of Late Quaternary tectonic inversion along the Scicli Line: relation with the regional geodynamic and seismotectonic pictures

10:25-10:40 | Prof. ssa R. MANISCALCO (Catania University)

The carbonates of the Hyblean plateau: methods and case studies of deep reservoirs and outcrop analogues

10:40-10:55 | Prof. ssa S. CORRADO (RomaTre University)

Burial/exhumation history of the Sicilian thrust belt and the Hyblean Plateau: state-of-the-art, perspectives and tools

10:55-11:10 | Ing. W. VENTURA (Project Manager | Siat)

The GIS contribution to the territorial-environmental analysis. Case study: GIS application in geophysical exploration

11:10-11:25 | Dott. U. FRIESLANDER (Ph.D. Head of Applied
Geophysics Division, The Geophysical Institute of Israel)

An Archaeological Application of Seismic Refraction Profiling

11:25-11:40 | Dott. S. MONTALBANO (Catania University)

Multidisciplinary scientific interest in the geophysical survey of "Fiume Tellaro" exploration permit

11:40-11:55 | Dott. S. SCERRA (Soprintendenza BB.CC.AA Ragusa)

Archeology of the Hyblean mountain

Dott. R. BRANCATO, Prof. E. TORTORICI

11:55-12:10 | (Catania University)

Landscape archaeology in Hyblean region: methods and case studies for new research on ancient rural Mediterranean landscapes

12:10-12:25 | Proff. I. BALDINI, S. COSENTINO (Bologna University)

Archaeological reserch on site in S. Nicola Giglia (Chiaramonte Gulfi)

12:25-12:40 | Presidente G. Caruso (Archeoclub Licodia Eubea)

The enhancement of the Santapau castle hill

12:40-13:00 | Prof. C. VELARDI (Luiss Business School Roma)

The Communication of Energy (well done)

LUNCH
